Double Your Gift Through Matching Programs

If you work for a company that matches employee donations, you may be able to double your gift at no cost to you.

Some companies match their employees' gifts to charity dollar-for-dollar, others may even give double or triple the original amount. So, it's definitely worth checking out.

Thousands of companies across Canada support their employees in this way, although procedures do vary with each company. Check with your company's human resources department to see if they will match your donation to Knowledge.
